

Development of high power laser system for fusion research

Deng Ximing

(Shanghai Institute of Optics and Fine Mechanics, Academia Sinica)

A brief introduction is given on the research and development of high power laser fusion systems in Shanghai Institute of Optics and Fine Mechanics of Academia Sinica.

用于核聚变研究的大功率激光 系统的发展

邓锡铭

(中国科学院上海光学精密机械研究所)

简要地介绍了中国科学院上海光机所，在研究和发展用于激光核聚变的大功率激光系统方面所取得的进展。
