This erratum corrects a clerical error in the original manuscript [Photon. Res. 9, 1124 (2021)]. © 2022 Chinese Laser Press

<https://doi.org/10.1364/PRJ.450070>

The Eq. (5) in Ref. [1] should be

$$Y_1(\omega) = \frac{1}{2\pi} \sum_{n=0}^{N-1} A_n \exp(j\phi_n) S^*(\omega_c + n\Delta\omega_c - \omega). \quad (5)$$

The position of the parentheses in the original manuscript is incorrect. This is a clerical error, and all of the theories and conclusions are unchanged by this correction.

The authors apologize for this error and any inconvenience to readers.
